Please note:

- 1) Fill in substitute reimbursement forms, send them back with a bill from your school no later than May 26 to be reimbursed.
- 2) Fill in renewal credit form and leave with Kim Notin
- 3) Please work with Jen Marangelo to finish spending demonstration project grants. Note that these funds CANNOT be spent on incidental supplies not related to the schoolyard project.
- 4) Final teacher payment will be made when you have completed all ECOS assessment requirements. Deborah Morris will be making appointments for interviews with teachers before June 15.
- 5) Undergrad fellows please see Kim or Jen for processing mileage request ASAP.
