

ECOS In-Service Workshop Agenda

November 5, 2004

University of Montana

8:45 - 9:00 **Coffee and Tea**

9:00 - 9:45 **Welcome, Introductions, Reporting**

In your teams, come up with a description of a key moment of inspiration or appreciation for each of your team members related to a teachable or learning moment. Write them on a sheet of flip chart paper to share.

9:45 - 10:30 **Dave Oberbillig, Big Sky High School**

New approaches to deliver the curriculum - it's not just an add-on!

10:30 - 10:40 **Break**

10:40 - 12:15 **Team Planning Time**

12:15 - 1:00 **Lunch**

(on your own; please take a few minutes to complete the ECOS midterm feedback survey)

1:00 - 1:45 **$1^3 = \text{One Cubed!}$**

Teams report from their planning discussions on one success, one plan, and how they will involve (at least) one new person in their ECOS team activities

1:45 - 2:15 **Carol Brewer, Thinking About Classification**

2:15 - 2:30 **Break**

2:30 - 3:30 **Paul Alaback, Using the ECOS Guide**

debut of the schoolyard plants database

3:30 - 4:00 **Wrap-up**

planning for our next ECOS workshop
